Validation of the nurse swallow evaluation screen (NSSE) tool Among Hospitalized adult patients diagnosed with stroke

Presented by:

Peggy Guin, PhD, ARNP, CNS-BC, CNRN, SCRN

Faculty Disclosure:

Peggy Guin has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Release Date: June 25, 2018

Expiration Date: June 25, 2020

Target Audience:

Primary Care Physicians, Specialty Physicians, Clinical Neurologists, Movement Disorder Specialists

Learning Objectives:

As a result of participation in this activity, participants should be able to:

1. Describe the use of the NSSE in adult patients with acute stroke
2. Describe why the NSSE is unique compared to other swallow screens
3. Discuss the nursing implications for using the NSSE

Accreditation: The University Of Florida College Of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credits: The University of Florida College of Medicine designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credits commensurate with the extent of their participation in the activity.
